| Address | Status | Tracking # |
|--------------------|--|------------|
| [REDACTED] (b) (6) | Avalon Not home (mail access to them) *240 | |

FOR [REDACTED] (b) (6) owners at 0925

0932 Stopped by [REDACTED] (b) (6) property at [REDACTED]

Avalon found no ACM in front.

[REDACTED] (b) (6) 0910 [REDACTED] (b) (6) resident

Says he did not call us. [REDACTED] (b) (6)

She bought the house at [REDACTED] (b) (6) in 1963

and she has asbestos flooring under the linoleum.

1001 Arrived at [REDACTED] (b) (6) Owner says

he had ACM in driveway which is now covered with shells. See field data sheet for sketch. ACM is 6 inches below dirt + shells

John Martin will be in contact with them concerning the hazard of their property because it is buried.

1030 [REDACTED] (b) (6), Bridge City. Spoke with [REDACTED] (b) (6) who had lived at this address for only 10 years. The gravel in her driveway was concrete (grounded up) from an load in front of her house when they built the new road. We found no visible ACM on her property.

1042 [REDACTED] (b) (6) Spoke with brother of [REDACTED] (b) (6)

(b) (6)

Westbank Asbestos S06-9607-012

(b) (6)

who lives at

Cochill

and has found no ACM on the property.

(b) (6)

Owned by (b) (6)

at (b) (6)

(b) (6)

(b) (6)

No visible ACM found at (b) (6)
and none can be seen from fence at (b) (6)
Bridge City (b) (6), owner
property says she does not remember reporting
ACM to EPA but she did call because she
could not go to the meetings and "wanted to
see what it was all about". Cochill and Lin
saw no ACM from outside the fence.

(b) (6)

111b (b) (6), Bridge City - Found no visible
ACM in driveway & in front of driveway as
reported by owner.

(b) (6)

1119 (b) (6) Dog in yard. There may
be ACM at the end of the driveway.

1200 Cochill and Lin return to command post

1345 Cochill and Lin leave C. P. for (b) (6)

(#320)

1355 Spoke w/ Rev. Talton Lewis of St. Joseph
Baptist Church who says there is ACM
~~in dirt between fence and railroad south of church~~
~~building and ACM on a property directly~~
~~south of RR tracks from gates to white wood~~
~~fence on Cemetery property south of RR tracks~~
At the St. Joseph Baptist Church Cemetery No. 2
and the parking lot north of the cemetery. See
field data sheet for sketch. The ACM is covered
by a layer of rocks and shells. Told Rev.
Lewis that John Martin will have to investigate
further to determine removal action. ACM is
not visible. Maggedlin

- 10/22/96 Westbank asbestos 506-9607-012
 1440 Arrived at [REDACTED] (b) (6) in Bridge City to check for possible ACM. [REDACTED] (b) (6)
 in Bridge City has ACM underneath grass soil and rocks. [REDACTED] is a church building. Told her (John Martin) will have to come by to investigate further. Lin gave her an E&E business card at her request w/ the command post P.R. #.
- 1515 Cochill and Lin return to command post due to bad weather.
- 1530 Cochill and Lin leave C.P. for hotel. Lin needs warmer clothing: weather 62°F & overcast.
- 1550 Cochill & Lin leave hotel to investigate new sites in Harvey.
- 1558 Arrived at [REDACTED] (b) (6) to check possible ACM (b) (6). Harvey says that the affected property is at [REDACTED] (b) (6) in Gutten. [REDACTED] (b) (6) wanted us to examine two round circles of asbestos in her back yard. Cochill and Lin found two 18 inch diameter x 10 in length "pipe" made of asbestos. Told her that the EPA would not remove manufactured product. Told her At MC 5/22/96 her husband should ask someone at EPA about the disposal of the "pipe".
- 1625 Arrived at [REDACTED] (b) (6) to investigate Asbestos reported on garage floor. No one home.
- 1629 Cochill and Lin head to Post Office to buy stamps for EPA and mail access.
- 1630 Cochill and Lin arrive at Manero post office and found it closed for the day.
- 1645 Cochill and Lin arrive at Harvey post office to buy stamps and mail access. M/SJN
